

HONDA PCX 125-150 (2014-2015)
Art.3140/EX -3143/LD

Montaggio

Usare viteria originale con aggiunta un' altra rondella in nylon da interporre tra il parabrezza e la rondella originale in gomma. Avvitare senza stringere prima un lato e poi l' altro, quindi serrare.

Assembly

Use the original hardware with added provided washer to insert between windscreen and the original rubber washer. Screw in loose before one side and after the other one, then tighten all bolts.
